ABOUT US

ABOUT ELLIS CHARTERED ADJUSTERS

RANGE OF SERVICE

DIRECTOR'S STATEMENT

Since being established in August 2008, PT. Utama Nilai Sentosa has grown from strength to strength in providing a professional and reliable loss adjusting service to the Indonesian insurance industry.

Our team of experienced loss adjusters has the experience and capability to handle most types of insurance losses.

We aim to create value for our clients by understanding their needs and creating solutions to address these needs. We are committed to act with integrity and we believe that our clients will entrust their business to us.

Our success is based on the dedication and integrity of our people who strive to exceed our clients' expectations.

Last but not least, on behalf of PT. Utama Nilai Sentosa, I would like to thank our clients for their support and confidence in us. For prospective clients, we sincerely hope that you will give us the opportunity to work together with you towards making our alliances a success.

Yours sincerely,

Freddy Theodorus

To consistently provide the Indonesian insurance industry with an international standard of service and to become the premier loss adjusting company in Indonesia.

VISION

MISSION

- To consistently provide prompt response and accurate reporting to support our clients' high standards of claim handling service.
- To provide fair and impartial recommendation of claim settlement in a timely manner.
- To maintain and develop human resources by focusing on staff training and development.
- To conduct ourselves professionally and with integrity to secure the trust of our client.

ABOUT US

PT. Utama Nilai Sentosa, established in 2008, is the sole representative of Ellis Chartered Loss Adjusters in Indonesia. Ellis Chartered Loss Adjusters is a United Kingdom based loss adjusting company who has successfully provide exceptional standard and responsible claim handling service internationally due to their customer-focused approach combined with their high technical expertise.

Being associated with Ellis Chartered Loss Adjusters gives PT. Utama Nilai Sentosa a competitive edge in our reporting. They provide us with technical support and advice to our team of loss adjusters.

Our qualified and experienced Loss Adjusters come from various academic backgrounds and have extensive experiences in handling both marine and non-marine claims. We provide prompt and accurate technical advice in our reports.

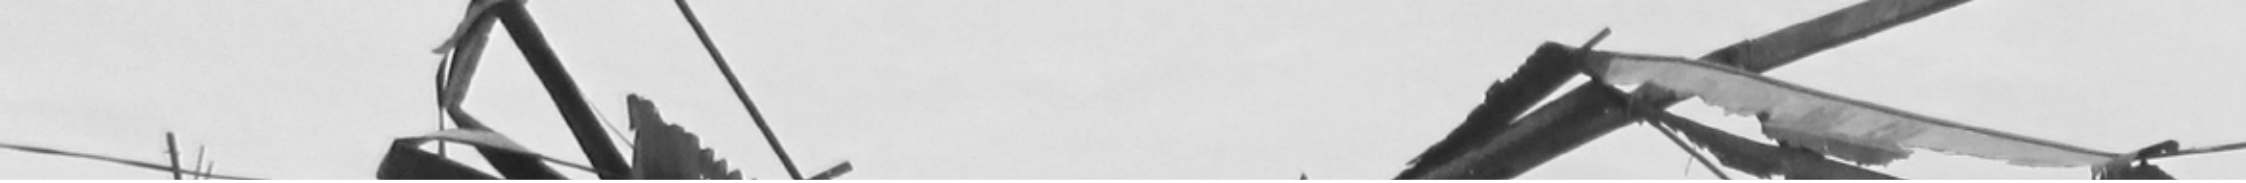

To date, we have provided our service to majority of insurance companies in Indonesia including international insurance companies, local companies and government-owned insurance companies. We have also developed closed relationships with leading service providers such as fire forensics, technical forensics and law firms.

Our commitment to transparency and integrity ensure that we are the most reliable partner for our clients.

We are experienced in handling large and complex claims.

We constantly adapt to our clients' changing needs in today's competitive environment by providing innovative and creative solutions with speed and accuracy at competitive prices.

ABOUT
